

Travel Safety Checklist

	If you are travelling out of the country consider registering with STEP .
	Leave a copy of your itinerary and contact information with a friend or loved one.
	Learn the laws, customs, and etiquette where you are going, especially when travelling abroad.
	Research local scams, safety problems, and health problems well in advance of your trip.
	Call your cell phone company to make sure that your phone will work. Ask what the rates will be.
	Have a backup plan in case you lose your medications.
	Check your medical insurance to make sure you will be covered where you are traveling.
	Consider purchasing travel insurance.
	Have the Post Office hold your mail and place stop orders on deliveries such as newspapers.
	Contact your bank and credit card companies to let them know when and where you are going.
	Scan and email your travel documents, credit cards, and other important documents to yourself.
	Take an extra copy of passport photos.
	Pack medications and valuables in carry-on bags, not checked luggage.
	Always carry a photo ID.
	Bring a first aid kit.
	Bring basic child-proofing supplies. You can use duct tape to cover electrical outlets in a pinch.
	Never leave your bags or belongings unattended in public places.
	Do not carry your wallet in your back pocket or a fanny pack. In fact, avoid fanny packs altogether.
	Separate your money sources so you have a backup if it gets lost or stolen.
	Do not discuss your travel plans with strangers.
