# Car Seat Checklist

## Correct Seat

Appropriate for your child's age, weight and height.

## Correct Placement

Children should be in the back seat until they are 13.

## Correct Location

Car seats should face backward until they outgrow this.

## Do The Inch Test

A correctly installed seat won't move more than an inch.

## Do The Pinch Test

Pinch the shoulder strap. There should be no excess.

\* Checklist based on Safe Kids Worldwide: Car Seat Checkup

This checklist is for informational purposes only and not for the purpose of providing legal or medical advice. You should find an attorney to obtain advice with respect to any particular issue or problem. If you are in need of legal advice please visit [AccidentAttorneys.org](http://AccidentAttorneys.org) to find per-qualified accident attorneys in your areas.
