How To
STAY
SAFE
After An Auto
Accident

When an accident happens, chances are good that you won't perform at your best. You may be injured, in shock, stressed out, or unable to act in your best interest.

Before something happens, read over this document and follow the simple steps below.

By keeping these instructions with you in your vehicle you may be able to avoid unnecessary risks, which could put your life in danger.

- 1. Print This**
- 2. Cut Paper at Dotted Line**
- 3. Fold Around Car Registration and Proof of Insurance.**
- 4. Place in Vehicle Glovebox**
